

Arriving at Robbo's at 7.15am on the Saturday of the Canberra day long weekend can only mean one thing, yes that's right, we're heading for Mt Beauty the run planned by David was always going to be great. David and Pia turned up at 7.28am not bad for David last time they were only 10 minutes late so we were pleased to see them along with myself and Sally there was Pete & Di, Gary (Crazy Horse) and Jenron, Claude & Emalia all looking forward to some great riding and again I must say David did a fantastic job. Our first stop was Cooma for a coffee and a top up of fuel we then headed down to Adaminaby for morning tea, a quick photo with the big trout and it was on the bikes for some of the best corners around. Another stop for photos at one of the Tumut dams (all photos are now on the web site) then down to Corryong for lunch. The road traffic was light a few more bikes on the road than cars but all you had to do was look at the weather to understand why. After lunch it was down to Mt Beauty, we arrived around 4pm Pete and Di went in to town for some supplies, David and Kiwi put up their tents for the weekend ... oh yes the girls helped some ... I think? After camp was made David and Kiwi were sent to buy some light refreshments at the local, being a very nice day David and Kiwi had a light refreshment on the walk back to the camp site only to have them confiscated from them by some very upset ladies thinking that we were drinking THEIR drinks, oh well Dave, better luck next time. After Cheers we all went to dinner at the local Pizza and Pasta joint, a few more drinks then back to camp for a cuppa or other drinks around the fire talking up the days events. Sunday was again the best weather for riding we left camp at 8am for breaky. At Bright a bit of shopping then round 11am on the bikes for a trip over Mt Hotham. All I can say is WOW, WOW, WOW some great roads all the way to Omeo then only 27ks to lunch from Omeo to the BLUE DUCK INN but it took all of 1 hour to get there but well worth the ride. If you ever get the chance to go there, please do. The ride back to camp was nice and quick and fun only saw a few cars on the road. Once back at camp the girls hopped in the spa for an hour or so, so the boys got the rest of the nibbles and parked themselves in front of the spa. The girls got the hand fed nibbles. A quiet night around the camp fire was interrupted by a birthday song and cake for David. Monday the trip back was again just the best retracing the trip down except we traveled back over Thredbo and had a late lunch at Jindabyne. Pia had the lead back to Williams Dale for the good byes the ride was great the weekend was great the company was the best.

Did we miss you yes we did maybe we will see you next time.
